

Continental Deli Foods Subsidiary of Tyson Foods

STRUCTURE: Meat Processing Plant
LOCATION: Cherokee IA
PROJECT DATE: February 2002
PRODUCT USED: ¼" Urethane
AREA: Hotdog Cooler 500ft²
Chemical Room 275 ft²
Wall Coving 300 lin feet

PROJECT DESCRIPTION:

After experiencing a number of failures with different contractors and flooring systems, Vector Construction Inc. was contacted to discuss the possible solutions to their flooring problems. All work has been completed over short duration plant shutdowns where attention to scheduling and planning is essential to ensure projects are completed on time and on budget.

Urethane flooring offers a number of advantages including:

- **Fast Curing** ... can be returned to service within 5-8 hours of being installed.
- **Odor Free** ... no risk of contaminating food in adjacent rooms.
- **Thermal Shock Resistance** ... Can withstand hot water or steam wash downs daily.
